## 2006 UN send-off was just fantastic

On July 7 at noon, there was a special place to be. It was in Kelso at the Longview Rebekah Lodge #305. This was the send-off for our United Nations Pilgrimage students from Washington. What a great group they were!

There was a special meal fixed by the great ladies of this lodge and I wish to especially thank Betty Weldon who worked her little heart out. They had pasta, garlic bread, big bottles of water and ice cream. The kids loved it all.

They were introduced to each other for the first time and what a great looking group they were. Their Tour Leader was Ron Hawkins who lives in Federal Way. He is a very capable leader. He has since been appointed to the UN Committee for the Jurisdiction of Washington. The students were Stacey McCloskey, Hallah Skora, Lea Daniels, Casey Dunivan, Ashley Harper, Annette Johnson, Christopher Musgrove, Monica Cowdery and Cynthia Turner.

I also wish to thank all of the Washington people who came to give their support for our program. We had a great turnout and it means so much to the kids to know that they came and spoke to them and shared their feelings for this program. It makes them feel important. Then some of them went down to the Holgate Center with the kids and that made them feel that they were supported. Again thanks to all of you for coming.

Then they all headed off to Portland for the Oregon send-off. We went down there for the last three years and they treat us so well. At this time I wish to especially thank Jodi Morris for having us there. She is a great emcee for the event. She is also on the Oregon UN Committee and we are lucky enough to have her as one of our Rebekahs. Vangy Smith, who is the head of the Oregon program, was there along with numerous people, all of whom I could not mention for lack of room, but they all made us feel welcome.

The Oregon and Washington kids stayed together at the hotel by the airport and then they departed very early in the morning for the plane that took them to Philadelphia to start their educational tour.

I wish to thank everyone who supports this program and gives of their time. It is a very special program because again it is about our future and these kids. When they are in New York, they represent us at the UN and that is a very special privilege. Some of the students are giving presentations about their trip. I hope that as many of you as can will attend these events. They are very special for the kids and also it is a chance to ask any questions you might have.

Again thanks to everyone.

— Mary Dunivan, UNP Chairman

## You're invited to hear Longview's UN pilgrim

The Rebekahs at Longview Rebekah Lodge #305 would like to cordially invite all of the Rebekahs and Odd Fellows to come to Kelso to hear Casey Dunivan speak about his United Nations Pilgrimage trip. He will be at the Kelso Lodge Hall on October 21 at noon. The hall is located at 711 Pine Street in Kelso. For those of you who would like to come and do not know where that is, give me a call and I shall send you a map.

The event will be open to the public and we hope to get some community members interested in our organization. The more members we have present the better information that is given. Please come. We are very excited about this event. Thanks.

— Mary Dunivan, Secretary and UNP Chairman

The Washington delegation on the 2006 United Nations Pilgrimage for Youth gathered with students from Oregon, New Jersey, West Virginia, Louisiana and Sweden in front of the U.S. Capitol in Washington, D.C. The photo was submitted by Monica Cowdery of Mystic Rebekah Lodge #168 who participated in the tour last summer.

## Fall NW meeting in Oregon Nov. 3, 4 & 5

The fall meeting of the Northwest Odd Fellow/Rebekah Association will be at the Holiday Inn in Wilsonville, OR on November 3, 4 and 5. The Northwest Department Council will hold their annual meeting starting Friday at 10 a.m. Registration will be open at 9 a.m. for both the Northwest Department Council and Northwest Odd Fellow/Rebekah Association.

Make your hotel reservations directly with the Holiday Inn. The room rates are: one person to a room, \$69; two people, \$79; three people, \$89; and four people, \$99. The reason for the extra person charges is that a full breakfast buffet is included in the rate. Basically all the second, third and fourth people are paying for is the breakfast.

Make sure you mention the Northwest Odd Fellow/Rebekah Association when making your room reservation. The phone number for the Holiday Inn is: (503) 682-2211.

All prices are in U.S. funds. At the present time, Canada's dollar is very close in value to the U.S. dollar. It makes for a lot less problems with the banks here.

Mail Registrations to Grand Lodge of Oregon, 3202 SE Holgate Blvd., Portland, OR 97202. We can accommodate special diets. Let us know on the registration form. Registrations must be made by October 21. Motel reservations must be made by October 1. Make motel reservations directly with the Holiday Inn, 25425 SW 95th Ave., Wilsonville, OR 97070 or call (503) 682-2211.

Please refer to the registration form on page 5.

### WE ARE BACK FROM SGL

Hello Brothers and Sisters,

We are back from Sovereign Grand Lodge Sessions and the good news is that there *will not be any changes* to the Odd Fellows Ritual this year.

Congratulations to the units in this Jurisdiction who received *Certificates of Award* from Sovereign Grand Lodge for participation and gains in the several programs of the order.

Participation in the the United Nations Pilgrimage for Youth Tour was up overall this year as well as in the Jurisdiction of Washington which sent nine students. To those lodges and districts that may be considering sending a student or students in this coming year, please contact Mary Dunivan the UNP Chairman for the Jurisdiction of Washington as some of the costs and deadlines have changed. You may call Mary at (360) 295-3681 or e-mail her at B2yellow@aol.com. Her mailing address is 240 Dunivan Road, Vader, WA 98593.

### L. J. JONES SCHOLARSHIPS

Please be watching for a mailing from this committee with forms for making nominations of members and relatives for the various scholarships that are available.

### ANNUAL REPORTS

Odd Fellow Lodges should have received the Annual Report forms package by now as they were mailed in late September. If you are an officer with a part to complete, please start gathering the necessary information. *Do not alter the Cash on Hand Last Report amount appearing on Line 1.* I remind all to complete them accurately and submit them in a timely manner. If there is anything confusing or you are in doubt as to how to complete them, please call the Grand Lodge for assistance.

It is hard to believe that it is that time already. October is the month for nominations of your elective officers for next year. Refer to the Washington Digest, Chapter 3, Section 3.10.3 Nominations, found on page 43.

## Arthritis Committee report

## Fall is a great time to donate

It looks like our summer is over and the rain and cold is rapidly approaching. This means our old buddy "Arthur" won't be far behind to show us that we had a good summer. Now with the wet and cold coming, the aches and pains of summer were only a sample of what he has in store for us. There will be many more aches and pains for us in the fall and winter.

This is a good reason to make a donation toward the research to find a cure for arthritis. Arthritis shows no respect to anyone. Your donations all stay in Washington for research in this area.

## From your 2006-2007 Grand Master

RONALD D. HANSON

### ENDOWMENT COMMITTEE IS OUR BACKBONE

If I hadn't attended the Endowment Fund meeting in Buckley on September 16, you would not be hearing from me this month. It seems that the Grand Secretary's Administrative Assistant had to remind me the deadline was coming on Monday. "Yes Ma'am, I will get it done as soon as I get home." Sorry I did not start until Sunday morning. It's a long trip over and back the same day — about 14 hours by the time all is said and done. But it was worth it to see the committee members and learn where we are with our fund. This committee is very important to our well being as they do so much to see that we are solvent enough to fund our programs and at times bail out other branches of our order with some help. Their work is what makes the Grand Lodge able to step to the plate from time to time and help out with needs. Thank you for all of your good work, Brothers.

### HELPING OUR FRIENDS AND FIREFIGHTERS

I think I have a cold starting, or at least my allergies are coming on, with all the smoke in the air from the several fires going on around the state. I don't know about where you are, but we have our share from the Columbia Complex fires near Dayton; With all of the fires going on, have you checked with the members in those areas to see if they need help, or what you might do to help the fire crews which have responded? Now is a good time to put your lodge out in the public eye, maybe with a bar of soap or some home-made cookies it does not take much. They will not come seeking you out until you show them you are around and what you do. Treated right you might gain some members.

### LET'S LOOK FOR GOOD LEADERS

Does the first paragraph sound like I was putting off the things I need to do for you? *Well! Does it?* I was sort of, it was in the back of my head, but time has a way of creeping up on you and I have been occupied with other issues. The point here is, do you have one of these in your lodge — a "Lenny let's put it off till it goes away," or a "Patty procrastinate till it is too late," or even a "Greta gripes a lot about everybody and everything, especially that it is somebody else's fault, not mine." Or maybe you have a "Bobby built the lodge all by myself and I own it, ain't nobody going to tell me how my lodge is going to be run, it's my way or else."

This is the month when you are going to decide who guides your lodge for the next term. Do you want one of these guys to do it? I hope not. While it is your lodge, we should think of it as our lodge. No one individual member owns or runs the lodge according to their personal dictates, nor do they have the leeway to make changes to the Ritual or violate our codes in the running of the lodge. If you have these kinds of people or things going on, now is the time to make changes when you elect officers.

As I visit I will be looking for some things during your lodge meetings. I might even take a look at your books or ask a question or two — that is a part of my job as Grand Master. What I will look for will change from lodge to lodge. This is for your information, so now you know and cannot say you were not told. Somebody will probably be offended by this or the fact that I did not publish a schedule for visitations. I have one thing to say to them, "Get over it." If you really need to know where I am on a day-to-day basis, you have my phone number.

Loletta McCormick and I made a visit to Fisher House at Fort Lewis and had a meeting with Jodi Land who is the Manager there. In my next letter I will talk more about that.

### THANK YOU FOR SUPPORTING DEE

I want to thank all of the Rebekah Lodges and many individual members who have sent Dee cards and good wishes in the last month. They mean so much to her. Our house is awash in flowers at the moment. It seems that on every Friday for the last month at least two and sometimes three flower arrangements have been delivered from the school cooks, her school administration, the school district administration, the produce companies that supply her kitchen, and some from their drivers, as well as the last ones from another high school in the district. What a support staff for her to have! This is their response to someone who has reached out to them in a positive way by doing her job and being a good person to each individual she comes in contact with. It makes one think, doesn't it? Not one of them belongs to the Order and I know she has asked a great many to join.

See Loletta, it just took a gentle reminder to get it done.

Well the old word count feature says I am over my limit. Sorry, Bill.

*In F., L. & T., Ronald D. Hanson, Grand Master*

# Halloween on the agenda for PNG's on October 19

The Past Noble Grands will meet at Collins Grange Hall, 3404 E. 120th in Tacoma on Thursday, October 19. The luncheon will be served by Ruth Rebekah Lodge #17 at noon. The meeting follows at 1:30 p.m.

The program for the day will be presented by Kapowsin Rebekah Lodge #241. It's *Halloween* time, so come prepared.

Our thoughts and prayers are with Sister Florine Roehl who is in physical therapy and doing well. We hope she will be with us soon.

The F.,L.&T. Drill Team will meet at 10 a.m. for practice prior to the luncheon at noon.

## East-West Picnic attendance was low, but it will continue

It was perfect weather and the lake was beautiful at Lake Easton State Park for the East-West Picnic held Sunday, September 10. The attendance was low however, and it turned out to be a "West" picnic as all there were from the west. Some people enjoyed a game of pinochle and there was much visiting, friendship and fun. Lots of good food was consumed as usual. Included were hamburgers grilled there by LeRose Coulter.

A discussion was held at the meeting following lunch as to the future of this event. Suggestions were to have two picnics, (an east and a west) to discontinue having one, or to keep it as it is now. It was decided to keep it at least one more year as an East-West Picnic at this same location. It will be on Sunday, September 9, 2007. Don Eddy was elected President of the group. The President has enough left-over supplies for next year. That includes plates, cups, utensils and napkins. A coin drill was held to gain funds for any other expenses that may be incurred.

## In Spokane Valley

# Ramona Rebekah Lodge #238 & Wilford Odd Fellow Lodge #269

Here we go again! We're back in the groove of Brother and Sisterhood, meeting twice monthly to support IOOF goals.

A few leftover summer notes: Wilford had a surprise party for Lillian Davis and Maxine Gregory to celebrate their more than 60 years of continuous membership in our order. They are both active members. Currently Lillian is Chaplain for Ramona and Wilford and Maxine is Ramona's Treasurer and Wilford's Warden.

Ramona's Home resident, Mary Lou Bostrup, is also a 60-year member. Money was sent to Mary Lou and Art Schreiber and Art bought a lovely potted plant for Mary Lou. No, I haven't "lost it." Both are Mary Lou's.

The gathering was a great success with 25 all together representing all the Spokane area lodges.

The Spokane Temple's bulletin

board is looking for summer pictures.

Our "multi-purpose" Tim Moon helped cover and border the cork-board and will help put up snapshots and articles. Lodges, please send news. There already are family reunion pictures, Tim's Davenport Hotel jail scene, Ruth Berglund's headliner and even two cats rescued by members of Hope #38.

Wilford and Ramona are planning to sponsor more social functions this year. Meeting in the Spokane Temple will be more convenient with Wilford's "easy access" project. More Sisters and Brothers are encouraged to come.

Besides, we have built-in entertainment talent with Al Komarek on the banjo and Polly doing the Charleston.

We sure will miss District's #2's songbird when Sherry Pond takes her vocal cords to the Tri-Cities.

## FALL IS IN THE AIR

Dear Sisters and Brothers:

You can certainly tell what time of year it is. I'm writing this the first part of September and some of the stores already have Christmas items for sale! Other than that, the frost is on the pumpkin. It is cool today and the fruit is falling on the ground.

For those of you who do not attend Lodge and did not hear my letter regarding our conveyed residents — the Home now has a "Conveyed Sunshine Fund." Money from this fund goes into their accounts. Donations should be sent to the Rebekah Assembly with the above notation. Please call me if you want more details.

By now you should all have received your Assembly Journals. We have added a new section in remembrance of deceased members. These names were taken from your Annual Reports, so members reported on December 31, 2006 will be in next year's Journal.

You will be receiving your Fall Per Capita Dues Statement this month. Payment is due by November 1. Please be prompt. It is appreciated.

If you have a child, grandchild or relative who is planning on attending college, is currently attending college or trade school or is pursuing graduate studies, I would like to remind you of the many scholarships available. They are as follows:

- **L.J. Jones Scholarship** here in Washington for high school graduates.
- **Christine Smith Graduate Studies** (\$15,000) Must have a bachelor's degree or equivalent.
- **Ingstrom Regional Scholarship** (\$3,000) (Must have completed one grading period in college).
- **Wirtz Scholarship** (\$1,000) (Must have completed one grading period in college).
- **Educational Foundation, IOOF** (\$1,000) for members who wish to enroll in job related or a new field to further occupational goals.
- **Educational Foundation Student Loan Trust Fund** (up to \$16,000 loaned at 4 percent interest divided per year).
- **Vocational Technology Scholarship** (\$1,000) to high school or GED students.

If you have someone who is eligible and wish more information, please call me for a brochure.

Please remember that your Assembly Secretary is here to serve you. If you need anything please feel free to call. Every call is important to me, no matter what the reason. I especially appreciate it when you let me know that someone is in distress so that I can send a card. Remember, everyone needs to be remembered, when they are feeling blue, with a phone call, card or just a short note. It means a lot.

Please join me with a cup of tea and count the blessings of having so many friends in the Order who care.

## INTERNATIONAL YOUTH DAYS WERE GREAT

Hello to all!! Wow, where did summer go? Back in school already. . . ugh! But back to Theta Rho business, I'm happy to report that

International Youth Days went very nice! I proudly represented Washington and had the honor of being Chaplain during the meeting and Moderator of the Talent Show which was a big responsibility, but was very fun. I also made many new friends. At International Youth Days, we were asked to sell raffle tickets to win a "quillow" and all the money went to the youth. And I'm proud to say I sold the most tickets of all the youth, so supposedly I am going to get a prize. While I was in Winston-Salem, I visited the Sovereign Grand Lodge headquarters and went through the Thomas Wildey Museum and the Rebekah Museum. We had a nice youth banquet and dance and a fun swim party at the Odd Fellows club. So overall I loved International Youth Days (except the long plane ride!! ha ha) and was honored to represent our jurisdiction.

I have started to plan my visitations. My schedule so far is shown below. I hope all of your meetings start off great.

Well, again thank you for everything. And I'll leave you with this quote: "Energy and persistence conquer all things." By Benjamin Franklin. I hope you keep that with you and put it to use! 'Til next month. . .

## Columbian Rebekah Lodge #220 and Washougal IOOF Lodge #194

Oh my! It is October and time for goblins and scary things to creep around!! But if we are at our lodge meetings this month, we might just ask, "Why not join us? We are not scary, but fun." Oh my! Ghost, goblins and members!! Happy Halloween!

Yes, it is time to get out and ask everyone you know to join your lodge. We have a new associate member. Welcome Carla!

We will be thinking of ways to help our community this fall, we have a Share House to give support to and we may adopt a family from them to help during the holidays.

Money making projects are hard to come up with, so we will have to put our heads together and come up with a unique and friendly idea.

We hope your fall season will be full of ideas and fun projects to enroll new members.

We are looking forward to having a few potlucks and invite potential members to come and feast with us and let them know we are a fun bunch.

As I leave you today I want to wish everyone a safe Halloween and, have fun with the goblins and ghosts in your town. **Boo!!**

## Monterose Rebekahs #46 - Toledo

Greetings from Monterose Rebekah Lodge. We had our first meeting for the fall on September 7. It was very informal with sack lunches and coffee.

Rosalie Davis extends her thanks to all who helped with the coffee stop at the Castle Rock Rest Area during the week of August 21-25. We made a better profit than expected.

Cookie Music and Sandy

Holderman drove out to see Jim and Dora Cline. She is doing fine and we all had a very good visit. Dora says to tell all the ladies hello.

Our Sister Fannie Blair has moved to a nursing home in Castle Rock called the Crawford House. We know she will be in good care.

Until next time. . .

## Talented Presidents

Crystal Reed of California, left, and Florence Frogge', President of the Theta Rho Assembly of Washington, were the moderators for the talent show at International Youth Days in Winston-Salem, NC last August.

## In Oak Harbor

# Acorn Theta Rho #79

Well fall is officially here and we are back to school and into our club activities.

In September we attended the Reception for Theta Rho Assembly President Florence Frogge and the Youth Retreat in Tacoma. We had a great time with the girls from the other clubs. These get-togethers are always a lot of fun.

This month Florence is planning on making her official visit to our club and we are looking forward to spending time with her.

We are working hard on getting new members as with graduation, weddings and girls moving, we are down in numbers.

We are planning our annual Halloween Party and scavenger hunt for food items for our local food bank and will be inviting prospective members to join us in this activity. Hopefully in our next letter we will be able to tell you that we have some new members.

We hope all of you have a safe and fun Halloween and watch out for the ghosts and goblins.

*In Happiness Through Service,  
The members of Acorn #79*

## Oak Leaf Rebekahs #254 - Oak Harbor

Our first meeting of the fall was nice. We had a back-to-lodge potluck with lots of good food and fellowship. Even with members who were sick and those with other commitments for the evening, we managed to have 10 at the meeting. Yours truly gave her Representative's report from Assembly that night.

We are busy planning our Rent-A-Table Bazaar and Sister Diane Hammond has taken that over for us since our Sister Nita Sherwood is not able to do that. We thank her for all the hard work she has been putting in to make this event a success. It is scheduled for November 4.

We are also working on our assignments for the upcoming District Association Meeting in Mt Vernon on October 14. Our lodge is in charge of the seating of the officers.

We decided to continue our project of providing stuffed animals for our

ambulance service and all of our members are asked to bring whatever animals they already have collected to our next meeting so we can see how we are doing. This is another project that Sister Nita spearheaded and we want to keep these things going while we are waiting for her return.

Nita is making progress, but it is a long, slow road for her. We know that she would appreciate cards from any of you who know her. Just a thinking of you is such a pick me up.

Our Sister Doral has been down again, too. She had to have surgery on her colon. We miss her so much as her music adds so much to our meetings. So Doral, hurry up and get back on the well list. To our other members who can not attend, you are in our thoughts and we hope that you know you are not forgotten.

# From the Grand Patriarch

TOBY HANSON

## OKTOBERFEST

Greetings Patriarchs!

Welcome to October! In my professional life as a musician, this is my busiest time of the year. Being an accordionist and leader of a polka band means that I work constantly from the beginning of September to the beginning of November. It's the magical time of year that everyone takes notice of polkas and accordions and bratwurst and stops to celebrate. I end up traveling far and wide bringing polkas to people in distant locales from Sandpoint, ID to Portland, OR to Union, WA.

As an Odd Fellow and Patriarch I'm constantly finding parallels between my professional life and my fraternal life. As Grand Patriarch I'll spend much of this term in office traveling to distant places and visiting Encampments, spreading the virtues of Patriarchal Odd Fellowship along the way. In the pursuit of this goal I need the help of all of you along the way.

One of the traditional roles of Encampments was to serve as a social group for Odd Fellows. Encampments are the "fun branch" where Odd Fellows can relax and enjoy the fraternal benefits of Odd Fellowship without the constraints of lodge business like running a hall, cemetery or charitable organization. Patriarchs are free of many of the responsibilities of lodge work and, as such, can have fun.

I encourage all of you to do something fun in October: emulate the spirit of Oktoberfest. It began as a celebration of marriage and has continued as a harvest celebration for nearly 200 years, slightly longer than Odd Fellowship has been in North America. Patriarchal Odd Fellowship is a place where we can gather together and celebrate the fun and togetherness of Odd Fellowship. It's also an opportunity to share the fun with the members of our lodges, which I encourage each and every one of you to do.

That's it for this month. I'll be wearing my Jaegerhut more than my fez this month, but if you see me driving across the Northwest in my big white van, wave hello!

*In Faith Hope and Charity,  
Toby Hanson, Grand Patriarch*

# From the Grand Matriarch

## THANK YOU FOR A WONDERFUL RECEPTION

Dear Matriarchs and Patriarchs,

I am a little slow this month. I can't seem to catch up on anything. I want to thank everyone who came out to my reception. It was wonderful to see everyone there. Thank you for coming out that day.

My hubby and I are off to the beautiful state of Colorado next week for all the train rides they can offer — five in all. We are really looking forward to this.

I hope you all had as good a summer as we have had. I don't think we could ask for anything better.

*As always in Faith Hope and Charity,  
Judy Sansom, Grand Matriarch*

# Hillyard Rebekahs #145 - Spokane

Well everyone made it back from the summer break. We got our fall off to a great start with a potluck. There were eight in attendance. We enjoyed lots of talking, laughing and just old-fashioned catching up. It was wonderful having Sandi Haugeto join us. You're looking "marvelous darling."

Serena Charest is quite a fighter. Please keep her in your prayers. She has been in and out of the hospital and needs more surgery. She is fighting cancer harder than any person I have

ever seen and she is not a complainer. She also attended our meeting.

Laura Fiddler and Peggy Cote were missed, but both were out sick.

We are looking forward to attending District #2's annual meeting. Hillyard is planning a skit to teach everyone. I do hope it goes well. Life is meant to be fun.

# From your 2006-2007 Department Commander

BRIG. GEN. CLAUS SCHEER

Chevaliers, it is time to start planning for our Pacific Northwest Department Council Meeting on November 3 in Wilsonville, OR. It is Washington's turn to have a member elected as the Department

Commander and Oregon's turn to have a member elected as Vice President. I am looking forward to meeting all my friends there. Step forward and say hello. I want to meet with each of you.

Some of you may wonder about the hotel charges. The room rates are \$69 per room, with a \$10 charge for each additional person in each room. This \$10 charge is to cover a full breakfast each day.

The Military Registration of \$5 will cover the expense of the meeting rooms for the Department Council and the LAPM Department Council.

The Cantons needs members, so I am suggesting that each Canton put on their uniforms and attend your local Encampments and take along a handful of applications with you. You may be surprised and increase your membership. The work that we do today will either make or break our Cantons. So lets get out there and get new members.

*Fraternally, Brigadier General Claus D. Scheer,  
Pacific Northwest Department Commander*

Ocean Beach Sisters Vivian Currie, Helen O'Neal and Opal Eaton sold baked goods and grab bags at the Loyalty Day Parade in Ilwaco.

### **Ocean Beach Rebekah Lodge #313**

I didn't get an article in for September. I was just too busy! We ended our beginning of summer break with a picnic, feasting on hot dogs and potato salad and playing Bingo following our regular meeting. We had guests from Fraternity and Ramona in Seaside, OR. Once again we had a great work crew in the kitchen.

Throughout the summer we continued playing Bunco once a month, with profits going to our lodge account. Cathy Kary has done a great job of keeping the Bunco going, along with Betty Pierce and Frances O'Neil.

The planter box we maintain on the beach approach had many compliments from passersby. The ladies who helped with watering and weeding are great green-thumbers, especially Frances.

PNGs elected new officers in July for the coming year beginning in September. They are Sandy Thissell, President; Betty Pierce, VP; Frances O'Neil, Sec.-Treas.; and Linda Zuern, 2-year Trustee. In August we met at Bessie Brashchuk's place of residence, using the hospitality/meeting room. Her daughter, Sister Donna Merrill, helped with the set-up, serving and clean-up. I provided dessert. We brought baby pictures and tried to guess who was who. We were *so* cute when we were little. (Not that we

aren't now.)

It was a busy summer for most. Olney Patch did some moving and Opal Eaton had huge garage sales as she and Sam will be selling their house. Beverly Gilpin is recovering nicely from knee replacement surgery, but worn out from company. Cathy Kary and husband Dean vacationed in Europe. Betty Worthington had cataract surgery. Sandy Thissell visited grandchildren (and daughter and son-in-law) in Alaska and my grandchildren (and daughter-in-law) came from Alaska to visit me.

We started off our first meeting in September still in the great warm weather we have been having for quite some time. Life at the beach is always day to day weather. This summer we were lucky. Opal Eaton and Mary Lund hosted our meeting, serving delicious pies and ice cream following the meeting. And it was Opal's birthday. Donna Merrill was introduced and given honors as our new DDP for District #27. She attended an Assembly session and gave a report on what is going on.

Fall is in the air. **Happy Halloween!**

I hope we saw you all at the District #18 meeting.

### **Leah Rebekah Lodge #22 - Goldendale**

Here it is September. We had our first meeting on the 5th. The remodeling of the Temple is progressing, but isn't quite completed, so our meeting was in the basement. It was nice to have Sister Nancy Robinson with us. Welcome, Sister Nancy.

There were many reports about the illnesses of many of our members. Sister Neva Riddle had back surgery in the spring and is working on recovery at the home of her daughter. Sister Belinda Sweetin was scheduled for more heart surgery on September 7. Sister Bea Mesecher has her good days and bad days, but is in her own home. Sister Myrel Mesecher is back in Goldendale and living at the care center on Columbus Avenue. I'm sure these Sisters would all appreciate cards and visits. If we live up to our obligation, we should visit our ill members and shut-ins whenever it is possible. Anyway, our prayers and thoughts are with all of them.

Our annual summer picnic was held on August 18 at the lovely home of Pat and Glen Benjamin with about 35 members and friends attending. It

was a very nice setting and there was lots of food. Everyone had a great time. Thank you very much, Pat and Glen. We all appreciate it.

NG Sharon McGaughy announced that we would have our Fall Friendship Tea Party at noon on October 28. Invitations will be sent out soon. Also, the District Meeting is scheduled for October 7 in Grandview.

Sister Mary Gosney announced that the next blood drive will be on October 10. As usual, the telephone committee will be busy and homemade cookies and juice will be needed along with many helpers.

Brother Ernie House stated that our fall highway cleanup is on the agenda and he will check into the proper time to get this done. Be prepared. You might get a call to help.

Our summer weather is still holding on. It is 100 degrees on my front porch. However, the nights are cool, so it is very comfortable to sleep.

This is all until next time.

## **Olympia IOOF Lodge #1 Ruth Rebekah Lodge #17**

Our lodge, along with Ruth Rebekah Lodge #17, held our annual seafood picnic at our pristine park on Puget Sound on Sunday September 3. As an added feature this year, we had a clam chowder cooking contest. The winner won an engraved plaque and bragging rights for the whole year.

The volunteer kitchen crew served up salmon (caught mostly by Herb Turner and associates), oysters, crabs and wonderful salads brought by lodge members. The food was absolutely delicious. Hats off to all lodge members who contributed and a warm thanks to the kitchen crew. We had 110 participating in the feed and we are sure they enjoyed the hard work and time putting on this year's event.

A special thanks to Kathy Garcia and Lynn Turner of Ruth Rebekah Lodge #17 for painting and replacing the curtains in our rest rooms. The painting was long over due and their efforts made a major difference. Thanks also to the Park Board and lodge volunteers for their hard work making wonderful looking park for all.

At our last lodge meeting the lodge overwhelming voted to support our Grand Master's project. The Fisher House does wonderful work supporting our military families and we are honored to participate with a donation.

#### **FYI**

The Olympia Lodge will be conducting our annual degree day (all Degrees) on Saturday October 21. This is a change from what you may have read in the last newspaper. If a lodge wishes to participate or have members needing a degree, please contact Tom Day at (360) 357-9307.

The Olympia Lodge is planning our annual installation of officers on Saturday January 20, 2007. We hope to see you here.

It is hard to believe it's time to begin nominations for officers already. Nominations begin on

October 2 and 16 with final nomination and voting on November 6.

Our lodge's bowling team will be up and running with new shirts. We wish them well and expect a new trophy in our case. Best of luck to our team.

Frank Wilson, our Grand Lodge Warden who also serves as Membership Chairman for the Grand Lodge, recommended that all Lodge members carry a blank application form for recruiting new members. If each member just recruits one in a year, it doubles our strength within the lodge. Presently we have 123 members. We all know the strength of any organization is with its members in making a strong and active lodge.

Our lodge is in the process of having our building painted and it has been a long time coming. George Johnson and his work/slave party began the exterior painting on our building making a difference in its appearance.

We are planning and will execute a number of projects next year ranging from helping the community to improving our lodge's appearance. Come to the meetings and find out what they are. You may even want to participate in one or two.

On December 16 our lodge is planning our annual holiday dinner starting at 2 p.m. Come out and enjoy the camaraderie and great food. The event was a great success last year and we are anticipating an even better one this time.

Just a reminder, our lodge is looking for the outstanding Lodge Member for the 2006 year. This is the time to show your appreciation to an outstanding Brother or Sister. Send your recommendations to LouAnn Hoffman or PJ Fluetsch. Nominations close in December. The outstanding lodge member will be awarded a pin during the installation of officers ceremony in January.

### **Eola Rebekah Lodge #63 - Buckley**

Our "This-And-That" sale held in July helped our treasury for which we are grateful. We also had a picnic at the Buckley City Park in July, but it seemed most were too busy with other things to be there. We got out and cleaned our section of adopted road in July too, so it was a busy month.

Now it is back to meetings after the summer recess. Our first meeting was not very well attended, so we will have to be contacting members to remind them to come our again.

We are now busy with two big upcoming events. The first is the reception of the Theta Rho Assembly President who is a member of the club

of which we are co-sponsors. By the time you read this, it will be a memory. Our bazaar will be Friday, October 27 at the Frontier Bank in Buckley, so hands are busily creating items to sell there. We will be taking our lodge member, Lea Daniels to our District Association #26 Meeting on October 4 in Orting hosted by Unity Lodge of Auburn to tell us about her U.N. Pilgrimage trip.

So our lives of Rebekah Friendship, Love & Truth go on. Happy fall, y'all.

*In F, L. & T.,  
Karen Hoylman, Secretary*

### **Trinity Rebekahs #179 - Napavine**

A big hello from members of Trinity #179. We all had a busy summer. It was topped off with our Rebekah picnic held on September 9 at Candy Koons' home. There was a small turnout, but the ladies had a most enjoyable time. Following the picnic, the Grandparents' Raffle was held. Our lucky winner was Laura Sweeney who works at the Napavine Ace Hardware store.

We are getting back into the swing of things. Our first meeting of the fall was scheduled for September 14.

Sack lunches and good fellowship was on hand.

Muriel Yahn is on the road to recovery and doing very well following her heart condition. She is staying with daughter Sandy Beane. She still needs lots of rest.

Our happy birthday wish during the month of September goes to Retta Winslow.

Until next time. . .

Pine Forest Rebekah Lodge #271's float took the first place award in Ione's "Down River Days" parade last summer.

## Pine Forest Rebekahs #271 - Ione

We were saddened to hear of Mary Ross Sutton's passing and draped our charter on June 13.

Sister Gerry Rumerfield is feeling much better again after a bout with a terrible cold.

We were pleased to announce that Selkirk senior, Alexandra Vermeulen, won the Nancy Nicholas Memorial Scholarship. She will attend Washington State University this fall and will be studying veterinary medicine.

Sister Nancy Davis posted the Lion Train Rides reservation sign-up sheet. She had an "orientation class" on July 16 to show us how to use the new computer. She had a great turnout for volunteers this year.

We geared up for Ione's annual "Down River Days" which was a big bicentennial celebration this year. Our lodge once again manned the food booth for two long days. Sister Betty and Brother John Stevenson were in charge of the float for the parade, along with help from Noble Grand Cheryl Eckhart and her husband, Skip. The float won the first place trophy.

Betty and John's daughter, Jennifer Cousineau, told of her most interesting trip to the United Nations last year. She had a display of photos to show and told a little something of each place they visited. Our lodge and the Lions Club sponsored her.

We ended the evening with a lovely luncheon served by Sister Wanda Koontz and a delicious Rebekah birthday cake made by Sister Nancy Davis. Later we exchanged birthday cards.

We missed Sisters Milly Schock, Marvel Smith, Marge Young, Barbara Garza, Patricia Woelfe, Kim McNaughton and Anne Williams at our last meeting in June.

A last minute note: Sister Wanda Koontz suffered a stroke around the end of July. We miss you and hope you get better soon.

We hope you had a wonderful summer.

## Red Apple IOOF Lodge #276 and Grandview Rebekah Lodge #246

Our sincerest sympathies are extended to Becky DeVall Robbins and family and the DeVall family on the unexpected loss of Becky's husband Ron Robbins.

We had other bad news, too. Beverly Bird had to undergo a series of brain scans. But the good news is Roberta White is recovering from her surgeries. The rest of our Rebekahs are all busy and in good health.

The Odd Fellows need help on getting new members. Four of us are holding the lodge together as good as we can. George DeVall is now driving truck for Swift Trucking Co. and is out of town for several weeks at a time. Jim Macomber has taken over renting the hall and paying the bills. The rest of the members don't seem to care what happens. I care, but I don't like to drive that much anymore. Enough of my sob story. It could be a lot worse!

The Rebekahs are busy with their projects and are doing money raising activities that take less physical labor. We are planning projects for Thanksgiving and Christmas. This month we have nominations of officers. Maybe we should play musical chairs before nominations. I can hear the refusal already.

### Happy Halloween!

## In Walla Walla

# Narcissa Rebekah Lodge #2

Narcissa Lodge members gathered on September 5 for a potluck dinner, with Barbara Lechner serving as hostess. She was assisted by Marthann Hall and Jane Hanson. There were 17 in attendance at the meeting following our delicious dinner and social time together.

Elsie Wells reported that she was pleased to see Polly and Al Komarek, who now reside in Spokane, when they were in Walla Walla recently. We learned that Clemie Schwarz is back in her room at the Home and that Dorothy Watson will soon take up residency there. We received a report on Rose Ringhoffer's surgery and learned that she is looking forward to being released from the hospital very soon. We were sorry to hear of the death of Alice Swafford's husband, Roy.

A letter of thanks was received from Linda Hardy, of the Walla Walla Community College Foundation, for the scholarship which we provided for Rebecca Thompson who is a second-year nursing student. Rebecca also sent us a thank you note expressing much appreciation for the \$500 scholarship.

Our lodge was presented a Certificate of Appreciation for our monetary donation to the Adaptive Sports (Wheel Chair) Jamboree.

Two of our Sisters passed away

during the month of August. Condolences were read and accepted for Roberta Bird, a 16-year member of Narcissa and Esther Elaine Akers who transferred to our lodge 11 years ago, but was a Rebekah for 58 years.

Members have received tickets for our Famjestic Raffle. The drawing for the cash prizes will take place on Tuesday, September 19.

We are now planning for District Meeting to be held on Saturday, October 21 and our Homecoming Dinner on Friday, November 10 at the Elk's Club. It is also the time when we will begin collecting items for the Women's Shelter at the YWCA.

We accepted the very interesting presentation regarding Rebekah Assembly, given by our Representative Elsie Wells. Sister Elsie was especially pleased with two lovely services — the Memorial Service that was conducted for Past Presidents and the Installation of Officers. She shared the outline of President Dee Hansen's program for 2006-2007 Assembly and expressed concern for Dee's health at this time. (Our prayers are with Dee, Ron and their family).

During the Good of the Order Silver Drill, Beth Entze was the winner of the cash prize drawing.

## Oops! We found the lost letters

*The following two letters were faxed to the Grand Lodge office for the September newspaper. Unfortunately they became stuck to another document and were not found until just recently. We offer our apologies to reporters Grace Wilson and Mary Lou Bostrup.*

## Miriam Rebekahs #25 and Ellensburg IOOF Lodge #20

Greetings to all our Brothers and Sisters. Our weather is kind of cloudy today. We have been having hot weather and it feels good not to have it so warm. We sure could use a good rain.

Our summer break is coming to an end. Where does the time go? In July the Rebekahs met with the Odd Fellows for a picnic. There were not many there, but those who came had a good time. In August we had our pie and ice cream social. The members of the Menastash Grange joined us for dessert. We do this every August as they have their annual picnic on the same day as our pie and ice cream social.

We were planning a potluck for our first meeting on September 12. This is all for now. Take care and may God bless.

## Sunshine Rebekah Lodge #56 - Dixie

Greetings! Oh, wow! Have we ever had a hot, hot summer. There is more to come, maybe.

Our Sister Cora Davis was our Representative to Assembly and will be giving her report at the first meeting in September. Our NG Neita Stearns also went to Assembly and was a Page to the Assembly Secretary. She also may have a report. We will be happy to hear from both of them.

### HAPPINESS

"Happiness can be built only on virtue and must of necessity have truth for its foundation."

## Lodge Cards will return

## Sylvan Glen Rebekah Lodge #184

Sisters Marian Moon and Beulah Crocker went on an Alaskan cruise.

Luellyn Ainsworth had surgery and found out it was not cancer. What a relief.

Carolyn Miller is on a trip with husband Monty for the annual U.S.S. Boxer reunion.

The hot and dry weather has been scary. Most people don't pray for rain, but I have been. There are too many forest and brush fires.

Our best wishes and prayers go out to our Assembly President Dee Hanson for her recovery.

Leona Treznoski and John went to

Bellingham for a wedding.

Our NG Norlene is working at a new job.

This report goes out before our first fall meeting, so news is a little slim.

## Big thanks from Herb

Herb Lavin, right, received the Hugh J. Bradley Distinguished Service Award at Washington's Grand Sessions in June. At left is Wes Nelson of Alberta, Canada, chairman of the Sovereign Grand Lodge's Visual Research Foundation. In the middle is Herb's wife, Chom. Herb said, "What an honor it is to me, Vancouver #3 and all Washington Odd Fellows for me to be the eighth winner of the SGL's Hugh J. Bradley award. My thanks goes to all lodges, the local Veteran's Administrations, other sources and my wife for helping me collect the items for Washington Visual Aids. I am proud to be a Washington Odd Fellow!"

## Polish diva raises funds

On August 27 Toby Hanson and his long-time theatrical collaborator Terry Palasz helped raise more than \$500 for the SOS Children's Fund. Sister Dana Hanson took care of refreshments and added her voice to the chorus while Ballard/Alki Noble Grand Greg Powers held forth with his ardent tromboning.

## Ballard/Alki IOOF Lodge #170

Greetings from Ballard! This summer has treated us well. We've added eight new Brothers at our Degree Day last spring and will be adding three more this Thursday. A big thank you to all our visiting Brothers who helped with the Degree Day.

Our basement/rumpus room is getting painted bit by bit (it's a big basement) and we've added a ping pong table. We also have a Brother who visits us regularly from Iceland. Brother Baldur, who works for Icelandic Air, drops by every other month when he has business with Boeing.

Brothers Nora, Chris and Dave

made it to Orcas Island to join our Brothers in their Fourth of July parade and came back enthusiastic.

We've put on our most successful fund-raiser to date for the SOS Children's Fund. Toby and Terry decided to put together a CD for their show, "The Polish Diva From Milwaukee," and the idea came up of doing a benefit concert for the CD release. We involved many non-Odds, raised the visibility of the lodge and earned a few coppers for SOS.

## Grand Coulee Rebekah Lodge #315

Greetings. Here it is September and time for everyone to come out to Lodge meetings. We miss all of you. It is so good to see everyone after a summer recess.

Sister Gladys Morris was here for a visit this summer and to check on her property. She returned to the coast recently.

We draped our Charter for our Sister Norene Tyler who was an Almira resident, but had been living with her daughter in Deer Park. She passed away in August.

Sister Vee Nansen is now residing in a rest home in Moses Lake.

We voted to make a donation to the Arbor Day Foundation.

Two certificates were presented to us from the Grand Lodge of Washington.

We will work hard next month as we are getting things ready to pack Baggies for the Hope Center in Moses Lake.

See all of you at the next meeting.

## Happy knitters

Knit one, purl two is what has been going on at Althea Rebekah Lodge in Kennewick. Mina Betts is our pro. She had some help, but not much. We knit 24 beanies to be sent to our service men overseas. They are worn under their helmets. We hope our few will help them. Sisters, don't forget to call, visit our send cards to our shut-ins or those who don't come to lodge.

## Thanks to everyone from the Robbins and DeVall families!

Dear Sisters and Brothers:

We wish to thank you for the cards, visits, food and prayers. You exemplified what Odd Fellows and Rebekahs are about — relieving the distressed.

"Tomorrow is not promised to anyone so hold your loved ones close today and whisper in their ear. Tell them how much you love them and that you'll always hold them dear. Take time to say I'm sorry, please forgive me, thank you or it's okay. And if tomorrow never comes you'll have no regrets about today."

Thank you again and may God bless each one of you.
